CLIENT'S FEEDBACK

I have no idea how we found Blessing, but she is the best. My husband loves her & I do too. She definitely cares about her patients in every aspects. It pays to have someone who really cares about your loved ones; and she will do just that. So blessed she found us.

We had the best experience in White Dove! We needed temporary care for mom, Blessing and her staff were there for us. My mother enjoyed their company and was sad to see them go! Thank you so much Blessing for making a very difficult situation so much easier for us.

Sara H. - Atlantic County, NJ

White Dove is absolutely the best home healthcare facility in South Jersey. Blessing extremely knowledgeable and truly cares for her patients. All the caregivers assigned to my Mom are compassionate, patient and very trustworthy. They truly make my life easier.

I can't say enough about the kind, compassionate, and professional services that White Dove delivers. We needed last minute care for my dad, and Blessing and her team were there for us all the way. Blessing was an amazing partner asking the right questions about my dad in order to deliver the type of care that he needed in a short amount of time (and mom his primary care taker), and she was incredibly knowledgeable, professional, and communicative. She and her team provided me with a sense of calm and trust during a very difficult time. Thank you so much Blessing and the team at White Dove.
